2017 [July]- 2018 [January] | SPACELAB | LONDON UK

Architectural Technician responsible for drawing packets including all details, site survey, joinery design including tea points and AV wall attending to site meeting including workshops with different suppliers and consultants.

Projects: Framestore, New Look, Boden and Virgin Money.

2016 [November]- 2017 [June] | DENNE JOINERY | CANTERBURY UK

Responsible for design office and residential joinery/furniture including production drawings, 3D images, cutting sheets and dealing directly with clients and suppliers.

2016 [September] | FILETURN | LONDON UK

Responsible for checking all the designs involved in the site construction, developing all the details to adjust to the site and running meetings with the client and suppliers for a new Hilton Curio Lincoln Plaza in Canary Wharf.

2016 [July]- 2016 [August] | S&T (UK) | LONDON UK

Collaboration with S&T (UK) Interiors as a designer Coordinator Technician developing all the details and drawings for a project design at British Airways Lounge at Gatwick.

2015 [June]- 2016 [April] | INTERVARI | LONDON UK

From 2015 until 2016 I was working as a high-end furniture designer for residential and commercial, working directly with the manufacturer. I was also responsible for creating all the production schedule and production drawings/design details. Some of the clients were: Intervari Showroom | Grand design stand | House of Ho | West Ham United new stadium furniture | Braham Gardens House | Laquier | Radnor Walk House | Bloomsbury Square.

2014 [March] - 2015 [December] | LADBROKE HOTEL | Birmingham UK

For almost a year I was working on the interior design of Ladbroke Hotel. Developing the design of the foyer, reception, bar, and restaurant. Describing all the material and detailing all furniture directly with clients.

2014 [January - March] | R_A FLAT | PARIS FRANCE

In 2014 I had the opportunity to design an interior design of 02 bedroom flat including the kitchen and toilet in a Haussman's building. I also was responsible for projecting manager and site manager.

2011 [February] - 2013 [November] | PARSONS GREEN SPORTS AND SOCIAL CLUB | STEVEN LENCZNER ARCHITECTS | London UK
